

Waiver Requirements

Waiver

- Technical requirement(s) that are not met by the NMCI or FISCSD contracts (e.g., live TTY)
- There is no, or inadequate, coverage offered by the DON service providers (i.e., AT&T, Nextel, Sprint, and Verizon) and a new tower cannot be installed in the area under the FISCSD contract
- Financial Impact to Command is greater than remaining FY05 funds

Extension

- Command does not have adequate time, before their current contract expires, to evaluate the NMCI and FISCSD contracts to determine:
 - Most cost effective solution
 - Service provider with best coverage area
 - Equipment and services that meet business requirements
